

```
public class CaSO_NguyenThuong {  
    public static void main (String [] args) {  
        int i = 1  
        for (int i = 1; i < 11; i++) {  
            System.out.println(i);  
        }  
    }  
}
```
